Maintenance & Repairs

We offer a wide range of services including synthetic and regular oil changes, tire rotation and alignment, tune ups and more! We also offer a self service bay where you can safely work on your own vehicle. State Inspections available during hours of operation until 3pm.

Car Wash

Need your vehicle washed? Drive through our no touch automatic car wash that is open 24/7. We also have a self service bay if you prefer to do it yourself. Don't forget to finish the job with our new vacuums and car product vending machines.

Sale Lot

The sale lot is a public space in the Commissary/BX parking lot, for the Hanscom Community to sell vehicles, RVs or motorcycles. When buying a car from this lot we will provide a Lemon-Aid Service and a discount on automotive parts.

Inspections

Get your car conveniently inspected right on base. In addition to an Emissions Test we offer State Auto and Transportation Network Companies inspections.

Locked Security Compound

The Locked Security Compound is a safe place where you can store excess vehicles.
